THE PLEASURE OF CHARTERING ON

Blue ATTRACTION

(Stockholm)

Built in 1983, entirely refitted in 1989 in the South of France and so tastefully redecorated by a famous Swedish decorator, **BLUE ATTRACTION** (ex Lady Duvera) is being offered for charter by her new Owner, a Swedish businessman.

BLUE ATTRACTION (110'/33m50) can welcome up to 10 guests in her 2 double and 3 twin-bedded staterooms, each with its own head fitted with a bathtub. What a pleasure resting in her spacious and entertaining saloon, and dining in a romantic atmosphere on Rosenthal china. Dinner will also be served on the upper deck dining area during those warm summer evenings. **BLUE ATTRACTION's** quiet and spacious sundeck, as well as her huge aft deck lounging area will also contribute to a very peaceful and pleasant holiday.

The crew of 6, entirely Swedish, composed of a very experienced Captain, an engineer and a deckhand, 2 charming stewardesses and an international chef, are looking forward to meeting you on board **BLUE ATTRACTION** for an unforgettable cruise either this winter in the Caribbean or this summer in the Mediterranean!
