SAIL 90 AGENDA

A SMART INVESTMENT...

...is every yacht we designed,
like:

**Klementine, Rio Rita,
Jamaica Bay, Colombaio,
My Gail, Sheergold, Lady
Alice, Stefaren, Destiny,**
and many others

...as is each one **now**

building, like:

the **waterjet** driven 31m
motoryacht at Derecktor's in
New York,

Lady Duvera II, a classic 43m
motoryacht at Hakvoort's in
Holland,

Savarona, the total rebuilding
of a 128m majestic steam
yacht, etc.

...ASK THE MAN WHO OWNS ONE

Thanks to our strict building
supervision every yacht
designed by *DIANA*, which
has been sold, went for
substantially more than her
contract price and this
irrespective of the yard who
built her!
