132' (40.38m) AMELS "PRINCESS MARLA"

Built by Amels Shipyard and designed by Diana Yachts, PRINCESS MARLA was recently returned to as-new condition with a very comprehensive mechanical and cosmetic refit. Warm decor is highlighted by magnificent wood joinery and hand-crafted inlays. There are four double staterooms including a sumptuous VIP suite on the main deck. A Jacuzzi is located on the spacious sundeck. Motivated seller has found his new yacht. **WORLDWIDE CENTRAL AGENT**
