EYEBALL

102' Derecktor/Diana Fast Superyacht 1990

FOR SALE AND CHARTER

EYEBALL is unique. Her military look inspires respect. Her mastery of open ocean is impressive. Her construction strength is awesome and the interior is exquisite walnut, marble, gold and onyx. Engines, equipment, electronics and all systems are the finest and have had little use. Ease of operation requires only two crew. Exterior finish needs minimum care.

EYEBALL is a treasure. She is a full triple-deck superyacht with a flying bridge. Perfect for family or business usage, she is ideal for island cruising, commuting and water sports. She can lie silent and fully operational overnight. She excels in shallow waters. She holds many pleasant surprises.

For full details, plans and photos, please call the owner's Central Agent, Burger Yacht Sales, a division of the Burger Boat Company, or your personal broker.
